

PSS EDGE TESTED ROOFING KIT – H500

The Edge Tested Roofing Kit – H500 offers convenient fall protection for a variety of working-at-height applications and has been designed for Roofing applications. The kit features 2021 Red Dot award-winning Honeywell Miller® H500 harness, with new specially-formulated webbing that flexes to accommodate movement and body contours for optimum comfort around legs and shoulders. This kit also features the RG300 Auto Rope Grab and a webbing strap anchorage point. All items can be easily carried in the included backpack.

PRODUCTS
